Taking into account that:

- the person who arranges the shipment intends to ship the waste to: [Country of destination];
- for the (interim) recovery of:
 - name and composition of waste: [.....];
 - quantity in tonnes: [....];
 - Basel-code: [....];
 - EC list of wastes code: [....];
 - Recovery operation (R): [....];
- Article 18 of Regulation (EU) 2024/1157 of the European Parliament and of the Council of 11 April 2024 on shipments of waste, amending Regulations (EU) No 1257/2013 and (EU) 2020/1056 and repealing Regulation (EC) No 1013/2006 (hereinafter: Regulation) contains rules regarding the content of the contract to be concluded between the person who arranges the shipment and the consignee;
- that the person who arranges the shipment and the consignee have already agreed in a separate agreement that the consignee will process the waste referred to in the second recital as described in Article 1. of this contract;
- the person who arranges the shipment and the consignee conclude this contract in order to fulfil the obligations of Article 18 of the Regulation.

The parties agree as follows:

Article 1. Treatment of waste

The consignee undertakes to recover the shipped waste by means of the following R-operation: R [R-code].

Article 2. Obligations of the client

- 2.1 If the shipment of the waste cannot be completed as planned or if an illegal shipment has taken place, the person who arranges the shipment shall take back the waste or ensure that the waste will be recovered in an alternative way.
- 2.2 In the cases referred to in the first paragraph, the person who arranges the shipment shall, if necessary, ensure the interim storage of the waste.

Article 3. Obligations of the consignee

- 3.1 If the consignee is unable to complete the shipment or recovery, the consignee shall ensure that the waste is recovered in a manner other than that originally envisaged.
- 3.2 In the cases referred to in the first paragraph, the consignee shall, if necessary, ensure the interim storage of the waste.

Article 4. Other provisions

- 4.1 This contract remains valid for the duration of the shipment until a certificate of completion of the recovery operation is issued in accordance with Article 18(9) of the Regulation.
- 4.2 Interim termination of this contract is not permitted.

Article 5. Other agreements between the person who arranges the shipment, the consignee and the facility
